Welcome to Surface & Coating Expo

Confederation of Indian Industry (CII) has been organising its flagship event “Surface & Coating Expo” since 2014. Over the years, the event has evolved as India's Largest and Exclusive Event Focused on Surface Engineering, Preparation, Coatings, Finishing, Corrosion Protection, Environmental Engineering and Technologies, under the guidance of a strong industry-led Steering Committee.

South India has established itself as a gateway of the Country with large manufacturing hub for Automobile, Auto-components, Petroleum, Chemical, Steel, Sugar, Cement, Power, Electronics, Heavy Engineering and Engineering products at various industrial clusters. Surface Coating plays an important role in any product manufacturing in terms of improvement in aesthetics, life of products and in some case performance. Also, a better surface coating reduces the corrosion which otherwise results in huge losses on terms of material and manpower.

Understanding the importance and need for surface preparation, treatment and coating in some or the other forms, CII has conceptualized this initiative to benefit various industrial sectors. With Four successful editions, the Surface & Coating Expo had received an overwhelming response from the stakeholders of the industry across the globe.

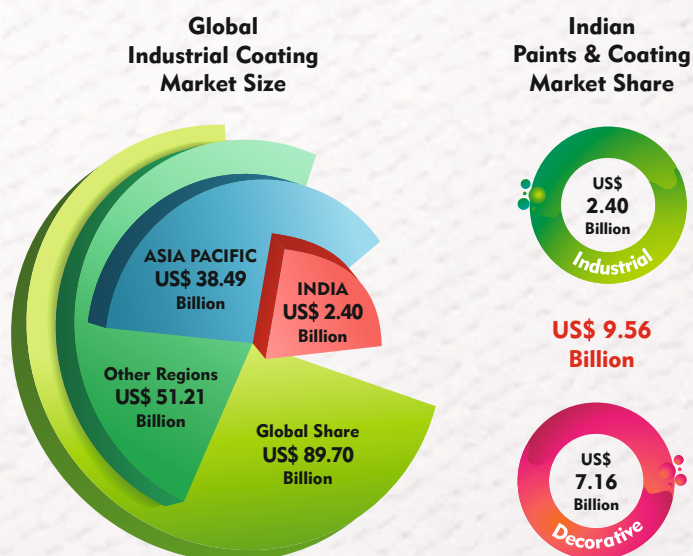

Over the years the event had attracted International participation from China, Denmark, France, Italy, Germany, Japan, South Korea, Sweden, Switzerland, Turkey UAE, UK USA & Vietnam.

Industry Overview

The global industrial coatings market size was valued at USD 89.70 billion in 2023 and is expected to grow at a compound annual growth rate (CAGR) of 3.7% from 2024 to 2030. The Asia Pacific dominated the Industrial Coating market and accounted for the largest share of over 42.9% of the global revenue. Rapid industrialization and growing product demand from the automotive and vehicle refinish sectors in countries, such as India, Japan, and South Korea, are expected to drive the market during the forecast period.

The India Paints And Coatings Market size is estimated at USD 9.56 billion in 2024, and is expected to reach USD 15.00 billion by 2029, growing at a CAGR of 9.38% during the forecast period (2024-2029). The decorative paint category constitutes almost 75% of the overall market and the industrial paint category constitutes the balance of 25% of the paint market.

Given this background, Confederation of Indian Industry (CII) is organising the 5th edition of “Surface & Coating Expo” (SCE2025) - India's Largest and Exclusive Event Focused on Surface Engineering, Preparation, Coatings, Finishing, Corrosion Protection, Environmental Engineering and Technologies. The SCE2025 is scheduled from 17 - 19 July 2025, at Chennai Trade Centre, Chennai, India.

This 3-Day Exhibition and Conference would set a platform for all the stakeholders of the Surface Coating Industry - manufacturers, distributors, solution providers, traders, end users and policy makers across the globe to meet, network, interact and establish new opportunities. The following concurrent events will be organised along with SCE2025.

Concurrent Events

The 5th edition of the “Technology Conference and Exhibition on Electroplating” (TCEE2025) will be organized concurrently with SCE2025. This event will showcase the state of art technology, trends, and latest developments in the Electroplating Industry.

The 3rd edition of “AutoMatFab Expo” will focus on the materials, fabrication & manufacturing technologies and solutions for the procedures involved in Automobile Fabrication and Sheet Metal Work. This will complement with the SCE2025.

CII is organising its 3rd edition of “Adhesives and Sealants - Summit & Expo” concurrently with SCE2025. This initiative will provide a platform to showcase on the latest trends, innovations, sustainability and technological advances and will also connect the bonding technology providers like Adhesive, Sealants, raw material, processing equipment, software, dispensing systems, consulting services, manufacturer / formulator and testing equipment with the end stakeholders across the country and globe.

As part of the National Mission on War Against Corrosion, CII is organising its 2nd edition of the International Summit on Corrosion Technology & Management “CORTEM 2025” on 17 & 18 July concurrently with the SCE2025.

Event Fact Sheet

**3 Days
Exhibition**

**350+
Exhibitors**

**Spread over
10,000+ sqm of
Display Area**

**20,000+
Business &
Trade Visitors**

**International
Conference on
Surface &
Coating**

**Technology
Conference on
Electroplating**

**Adhesives &
Sealants
Summit**

**Intl. Summit on
Corrosion
Technology
& Management**

**Certified
Training Course
on Paints and
Coatings**

**Open Floor Talk
on Automotive
Materials &
Fabrication**

**Workshop on
Electroplating
(in Vernacular
Language)**

**Special Focus on
Academia -
Industry
Skill Connect**

**Exclusive
International
Pavilions &
Participations**

**Certification
& Training
Pavilion**

**New Product
Launches &
Presentations**

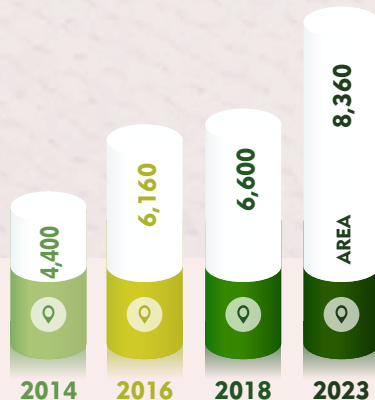

**B2B & B2G
Networking
Meetings**

Over the Years

NO OF EXHIBITORS

EXHIBITION AREA IN SQ.MTS

NO OF VISITORS

Exhibitors Profile*

- 3D Printing
- Abrasives
- Acid Cleaning Systems
- Adhesives & Sealants
- Additive Manufacturers
- Applications of Paint & Coatings
- Arc Welding
- Assembly Systems
- Automation and Handling Systems
- Automotive E-Coatings
- Bending & Forming
- Blast Cleaning
- Blasting Material
- Brazing & Soldering
- Business Services
- Chemical & Electronic Metal Separation
- Chemicals
- Cleaning and Pre - Treatment
- Composite Materials
- Coil Processing
- Cutting
- E-Mobility & Battery
- Environmental Protection and Special-Purpose Plant
- Effluent Treatment Plant
- Equipments
- Fastening & Joining
- Fire-Resistant, Fire-Retardant & Intumescent Coatings
- Floor Coatings
- Gas Equipment
- Green Coatings
- Hydro Blasting
- Hydro Forming
- Industrial Paint-Spraying Installations / Equipment Manufacturers
- Industrial Plasma Coating
- Inspection & Testing
- Ion Plating
- Job Shop / Contract Manufacturers
- Laser Surface Modification
- Lasers
- Liquid and Powder Coatings
- Lite Metals
- Lubrication
- Machine Controls
- Machines and Plants
- Maintenance & Repair
- Marine Paints
- Material Handling
- Metal Suppliers
- Paints, Enamels, Plastic Coatings
- Plant and Equipment
- Plasma Nitriding
- Plasma Pre-Treatment
- Plate & Structural Fabrication
- Power Tools
- Press Brakes
- Punching
- PVD and CVD Systems
- Resistance Welding
- Robotics
- Roll Forming
- Safety & Environment
- Saws
- Sponge Cleaning
- Sputter Deposition
- Stamping
- Surface Activation
- Thermal Spray : Arc, HVOF, Plasma and Cold Spray
- Thermal Spray Coating
- Tool & Die Tooling
- Tube & Pipe Fabrication
- Tube & Pipe Manufacturers
- Waterjet
- Waterproofing Technology
- Welding Consumables
- Welding Machines
- Wet Cleaning
- Wind Mill & Solar
- Wood Paint
- and many more...

* This list is illustrative...

Visitors Profile*

- Contractors
- Engineering Consultants
- EPC Contractors
- Government Officials
- Maintenance Personnel
- Management
- Manufacturers of Equipment
- Plant Heads
- Procurement & Purchasing
- Project Developers
- Project Managers
- Quality Control
- Research & Development
- Service Personnel
- Technical Specifiers

Target Industries :

Aerospace, Agriculture, Automobile, Balance of Plant suppliers, Boilers & Turbines manufacturers, Cement, Chemical & Pharma , Construction, Consultants, Cooling Towers, Defence, Desalination Plants manufacturers, Domestic, Education, Electronics, Energy, Engineering, Fire, Food Processing, Iron & Steel, Manufacturing, OEMs, Oil & Gas, Plastic, Ports, Power Plants, Railways, Space, Steel, Sugar, Waste Water and more...

Stall Tariff*

Built-up Indoor Stall - Air Conditioned

Ready to use stall with Carpet, Table, Chairs, Lighting, Single Phase Power socket with power

Area in sqm.	CII Member / Past Exhibitor Rate / sqm		Non-Member / New Exhibitor Rate / sqm	
	INR	US\$	INR	US\$
6	8500	180	9000	200
9 - 12	8000	170	8500	190
15 - 18	7500	160	8000	180
21 & Above	7000	150	7500	170

Indoor Raw Space - Air Conditioned

Exhibitor to construct & Fabricate Stall / Displays. CII will provide only bare space

Area in sqm.	CII Member / Past Exhibitor Rate / sqm		Non-Member / New Exhibitor Rate / sqm	
	INR	US\$	INR	US\$
24 - 36	6500	130	7000	150
42 - 54	6000	120	6500	140
60 - 72	5500	110	6000	130
90 & Above	5000	100	5500	120

MSME Special Rates

Area in sqm.	INR	INR
6 - 15	7000	7500

NOTE : To avail the special rates companies should submit the MSME / UDAAN Certificate

Electricity Charges

Rate per KW	INR	US\$
Permanent Load (16-19 July 2025)	3500	60
Temporary Load (15 July 2025)	750	15

*Kindly Note : For INR Rates GST 18% Extra

Confederation of Indian Industry

The Confederation of Indian Industry (CII) works to create and sustain an environment conducive to the development of India, partnering Industry, Government and civil society, through advisory and consultative processes.

CII is a non-government, not-for-profit, industry-led and industry-managed organization, with around 9,000 members from the private as well as public sectors, including SMEs and MNCs, and an indirect membership of over 365,000 enterprises from 294 national and regional sectoral industry bodies.

For more than 125 years, CII has been engaged in shaping India's development journey and works proactively on transforming Indian Industry's engagement in national development. CII charts change by working closely with Government on policy issues, interfacing with thought leaders, and enhancing efficiency, competitiveness, and business opportunities for industry through a range of specialized services and strategic global linkages. It also provides a platform for consensus-building and networking on key issues.

Through its dedicated Centres of Excellence and Industry competitiveness initiatives, promotion of innovation and technology adoption, and partnerships for sustainability, CII plays a transformative part in shaping the future of the nation. Extending its agenda beyond business, CII assists industry to identify and execute corporate citizenship programmes across diverse domains including affirmative action, livelihoods, diversity management, skill development, empowerment of women, and sustainable development, to name a few.

For 2024-25, CII has identified "Globally Competitive India: Partnerships for Sustainable and Inclusive Growth" as its Theme, prioritizing 5 key pillars. During the year, it would align its initiatives and activities to facilitate strategic actions for driving India's global competitiveness and growth through a robust and resilient Indian industry.

With 70 offices, including 12 Centres of Excellence, in India, and 8 overseas offices in Australia, Egypt, Germany, Indonesia, Singapore, UAE, UK, and USA, as well as institutional partnerships with about 300 counterpart organizations in almost 100 countries, CII serves as a reference point for Indian industry and the international business community.
